Why not use our wonderful facilities to help learners enhance their GCSEs. With a little imagination we can help you to enrich your teaching, for example:

English

Feel fear by attending a major incident
Write up an elderly person's life story
Admit someone to hospital
Discuss death and dying with health professionals

Maths

Make up prescriptions and administering drugs
Calculate burn ratios
Take and record vital observations

Science

Crime scenes and major incidences
Human biology, have a look inside yourself
Bacteria and epidemiology

History

Experience the Blitz and war-time bombing
How did a war time diet affect health and teeth
History of the NHS

Stretch, challenge and differentiation

All sessions can be extended to full 6 hours and tailored to meet the needs of different levels of learners.

Please do not hesitate to discuss specific needs of your curriculum, as our fully equipped hospital environment can be tailored to add real-life experiences to enhance the student experience.
