

## Your Welcome Programme

**Congratulations on securing your course offer. We are looking forward to having you at Activate Learning very soon.**

September will be here before we know it so it's time to prepare you for a flying start to your career pathway.

Here's what will happen **over the coming weeks**

### 01. Meet your tutor

You will be contacted by your course team by phone or Skype to:

- Say hello, check that you have the information you need and to answer any questions you have.
- Check you have accepted your offer or whether you need any further advice and guidance.
- Introduce you to the welcome programme we have designed for you on our online learning platform. We are expecting all incoming students to follow the programme before they enrol.

### 02. Join our online community

You will join Activate Learning Online (ALO), our online learning platform. Here you will be able to find useful information, be sent notifications when we have added messages for you and work through your Welcome Programme activities as they are added to your dashboard.

### 03. Welcome Programme part 1 – Welcome to your Activate Learning college

- All about your college, student life and how students shape the student experience.
- Financial support and how to apply for help with college costs.
- Support with your learning, health and wellbeing.
- Free and impartial advice and guidance if you are still finalising your choices.

### 04. Welcome Programme part 2 – Being an Activate Learning student, what and how you will learn

- An introduction to how you will learn at college which is different to being at school in several ways, not just in what you learn but how you learn, how you will be linked with your industry and how you develop independence and confidence.

### 05. Welcome Programme part 2 – Your pathway programme and all that it involves

- Introduction to your team and faculty.
- What to expect from your learning programme.
- Subject related information to read and view.
- Activities to prepare you for a new way of learning.
- Summer project to complete online.

### 07. Faculty updates

We will keep you updated over the summer with news about what's going in your faculty and we will send you relevant useful information such as your kit list.

### 06. Information about enrolling

You will be sent information about how show your results (if needed), pay any fees due, sign up, pick up your ID card. You will be sent details of how and when you can enrol online in August.
