

ACCESS TO HIGHER EDUCATION

Discover your fast-track route
to university

WHAT IS ACCESS TO HE?

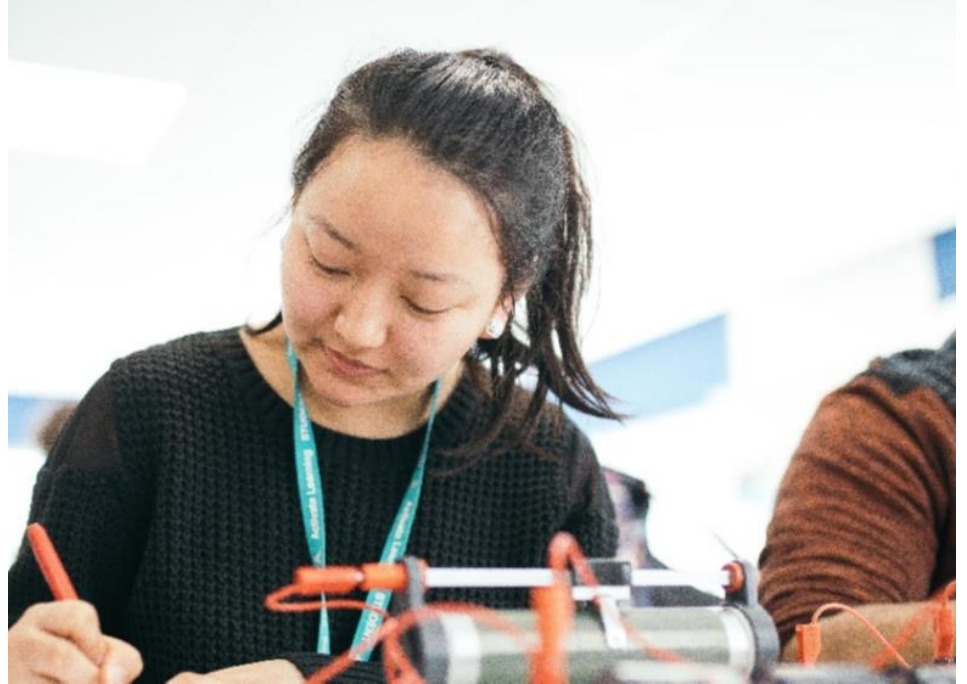

Want to be at university this time next year but don't have the qualifications?

- > Designed specifically for adult learners aged 19 or over who don't currently have the qualifications to go to university.
- > Equal to three A Levels, giving you the UCAS points to need to apply for university-level study.
- > Study an Access to HE Diploma for **FREE** with an Advanced Learner Loan!

KEY PROGRAMME FEATURES

- > One-year programme
- > Supportive personal tutor
- > Equivalent to three A Levels, the UCAS points you need for university
- > Designed exclusively for adults
- > Widely recognised and accepted by UK universities
- > Funding options available
- > No specific qualifications are required for our classroom-based courses

WHY IT COULD BE RIGHT FOR YOU

Been out of education a while? Looking for a career change? Want to reinvent yourself? Or looking to get back into work and move up the career ladder?

- > You need to be dedicated and hardworking as the course is intensive, but it gives you a rewarding opportunity to reach your goals.
- > Many students successfully balance the programme with work, family and childcare commitments. Support is available every step of the way!

OUR PATHWAYS

We have an exciting range of pathways to choose from to help you progress to university and beyond. Go online for more information about each programme:

www.activatelearning.ac.uk/access-he

- > Animal Management
- > Art
- > Business, Accountancy and Law
- > Science, Engineering and IT
- > Nursing and Health
- > Social Science

I would tell people considering an Access to HE programme that it is never too late to return to education, and to aim high to achieve your goals. The programme assumes no knowledge, and therefore everything is gradual and taken a step at a time. Although the workload can be heavy, it is completely manageable”

- Louise, Access to HE: Nursing and Midwifery

ACCESS TO HE ONLINE

A convenient way to study remotely and at your own pace. Activate Learning also offer a range of Access to HE Online Diplomas, including:
