

PREPARATION FOR UCAS APPLICATIONS FOR DEGREES IN NURSING

Age group:	Year 12-13, tailored to meet your curriculum needs
Duration:	1 day
Good for:	Work experience, careers
Price:	Maximum 15 learners, £20 per learner.

Preparation for nursing interviews

Activate Learning has very close partnerships with local NHS providers and as such is able to offer learners specific training to prepare them for entry to degrees in nursing.

Morning session

Students will spend the first part of the day practising basic nursing skills in our six bedded hospital ward. This unique experience will give students a flavour of the skills needed to be a nurse.

Afternoon

Students will meet nurse recruitment staff from Oxford Brookes University, Oxford Hospital Trust, and The Royal Berkshire Hospital, who will help students gain an insight into 'what they are looking for' when selecting students to start their nurse training. Students will also have the opportunity to prepare their UCAS personal statement with advice from nurse recruiting staff.

Please do not hesitate to discuss specific needs of your curriculum, as our fully equipped hospital environment can be tailored to add real-life experiences to enhance the student experience.
