

My First Day at City of Oxford College

Find out what you can expect on your first day of college

Once you have received your enrolment confirmation email from us, you are a confirmed student with Activate Learning.

Within 72 hours of receiving your confirmation of enrolment, you will receive a welcome email from IT with information about how to log in to your college systems including ALO (Activate Learning Online, which will be available to you from 2 August), and to confirm your college email address. Your timetable will be shared with you on your first day.

Details about your first day at City of Oxford College can be found in the table below.

During the first two weeks of term, you'll be asked to provide the following pieces of information:

- A valid proof of identity (passport, birth certificate, proof of age card, or national insurance letter)
- Right to study evidence for students who are not UK citizens (Passport, visa or immigration documentation)
- Any outstanding payment

You'll also receive your college ID card and lanyard, which you must always wear whilst on college grounds.

If you need help or support before the first day of term, give us a call on 0800 612 6008.
