

# ExamNET Guide to registration, passwords & viewing results

This website assumes:

- You (the student) have provided Activate Learning with an email address
- The email address in our system is still correct

Emails cannot be changed in ExamNET; they must go through the usual Activate Learning change request process to have it updated. This is a GDPR security requirement due to the nature of the information given out on the site.

All emails sent from this system come from [noreply@activatelearning.ac.uk](mailto:noreply@activatelearning.ac.uk) so please check your spam folders if you are missing an email.

## 1. Registration

You will receive a link in an email inviting you to register with ExamNET to access your results. The link in the email has a personalised token on the end (visible when mouseover or clicking the link)

e.g.

<https://examnet.activatelearning.ac.uk/Account/Register?code=B7C2C5E8-E9F6-4842-8E61-3E6C040CCDE0>

This link will go to the registration page with your student ID already filled in:
