Student Fees and Charges

General

- This Policy will be reviewed by the Finance Department and approved by the Corporation on an annual basis.
- Fees are charged annually, except FE courses where a loan is available. FE loan courses are quoted for the entire duration of the programme, to enable the full loan value to be applied for. If a student is self-funding, denied a loan, or any other means than via an Advanced Learner Loan, fees will be charged annually.
- AL will endeavor not to change course fees from those which are published, however, reserves the right to do so, prior to the commencement of the course.

Further Education Fees

- Students non-funded and co-funded will be charged in line with ESFA Policy.
- Students will be made aware if eligible for an Advanced Learner Loan.
- If a student changes course, the student may be liable for additional fees in relation to the new course.
- It is the responsibility of the student to provide the correct information and evidence for fee assessment purposes. Incorrect data given at the point of enrolment may give rise to further charges.

Higher Education Fees

- The OFS provides a national framework in which tuition fee levels are agreed.
- HE students are not entitled to fee remission.
- Higher level qualifications delivered as part of an Apprenticeship programme are to be funded through Apprenticeship eligible funding routes only.

International Students

- International students require a visa prior to studying in the UK.
- Students must pay 50% of the fees to reserve their place on the course. The remaining balance must be paid prior to or at enrolment, following visa approval.
- If the students visa application is rejected, fees will be refunded subject to an administration fee.

Students under 16 Years Old

- Fees incurred for students who are under 16 and enrolled at a school, will be paid directly by the student's school.
- Fees incurred for students who are not on a school roll (including international), will be funded by ESFA.

Apprenticeships

- All fees related to Apprenticeship programmes are subject to contracting terms and ESFA funding requirements.
- Apprenticeships are funded via the Levy or Non-Levy Government funding route.
- A **Non-Levy** employer is required to pay a contribution towards their Apprentice. Employers must not pass any fees onto the apprentice.
- A **Levy** employer must authorise the release of levy funds, through the Government Apprenticeship Service website to pay AL for their services.
- If a Levy employer incurs apprenticeship fees more than their "Pot" value they will be invoiced for fees not recovered, in accordance with the government apprentice levy rules.
- If an employer fails to pay their apprenticeship contribution within agreed timescales AL reserves the right to suspend the Apprentice. This may lead to the student being unable to obtain their qualification.
- If an apprentice withdraws or changes employer, fees will be prorated accordingly.

Awarding Body Registrations and Examinations

- External applicants who are not enrolled at AL will not be entered for examinations.
- Students entered for re-sit examinations are liable for the fees regardless of age.
- Some students are required to register with professional awarding bodies as part of their course. This must

be done directly with the awarding body and may incur additional costs.

Payment of fees

- Full fees must be paid at enrolment. Payment of student fees are the responsibility of the student, as laid out in the “Fees” section under “Learning Agreement” of the enrolment form.
- Payment plans may be arranged, providing certain criteria is met and deposit is paid at enrolment. Further guidance can be found [here](#).
- If a student withdraws from a course, they will remain liable for any outstanding balance.
- All payments are to be paid to Advice and Admissions, the Contact Centre, or Finance who will record this on the student record, within REMS. Under no circumstances should other departments take payment. Failure to adhere to this may result in disciplinary action.
- Students may be eligible for support with tuition fees through AL’s bursary scheme. See “Student Finance Policy and Procedure” [here](#). Alternatively, Advice and Admissions can advise on eligibility, or the HELP office team for HE.

Non-payment of Fees

- Enrolment on a course will be refused if a student has unpaid amounts remaining from previous academic years or from a previous course.
- In the event of non-payment AL may block card and ALO access. While an account is blocked a student shall not be entitled to attend class or have access to learning resources. To reinstate privileges the student must make full payment of outstanding fees or contact the Sales Ledger team.
- In the event of non-payment AL may withdraw the student from their course.

Student Withdrawals

- Application for withdrawal must be applied for via the faculty in the first instance.
- Non-attendance does not constitute withdrawal.

FE Full-time Courses

- If a student withdraws from a course funded through Advanced Learner Loans, the fees will be adjusted to reflect the correct apportionment in relation to the time attended, as outlined by the ESFA and Student Finance England. Students are entitled to withdraw from a course within two weeks of the course start date and receive a refund of fees paid.
- If a student withdraws after more than two weeks, there is no entitlement to a refund unless there are extenuating circumstances. This is at the discretion of Faculty Director.

FE Part-time Courses (15 weeks or less)

- Students enrolled on a part time course can withdraw from a course up to two weeks prior to the course start date. A refund of fees paid will be given, less an administration charge.
- Students withdrawing after this date are not entitled to a refund. In extenuating circumstances this may be reviewed by an appropriate Faculty Director.

HE Courses

- Students withdrawing from HE Courses may be liable to pay a proportion of the fee, in accordance with SLC Terms and Conditions.

Fee Refunds

- If AL cancels a course, which is yet to start, fees paid will be refunded.
- All refunds will be paid back to the source from which they came, i.e, If student paid then student will be refunded, if employer or loan company paid then the relevant organisation will be refunded.

Complaints

- Complaints will be dealt with in accordance with AL’s [Customer Comments, Suggestions and Complaints Policy and Procedure](#).
