## Section 4: Student's bank account details to be completed by all students

If we need to make a payment to you we will do it by direct transfer into your bank account. ESFA (European Skills Funding Agency) does not expect bursary payments to be paid into another person's account, except in exceptional circumstances where a student is unable to administer their own account.

A basic bank account (which students can open at age 16) allows BACS transfers and allows the student to withdraw money. More information on basic bank accounts can be found at <https://www.moneysavingexpert.com/banking/basic-bank-accounts/>

Please provide details of the bank account which you would like us to pay funding into. Ensure the numerals are legible and the bank account accepts BACS payments. Please note: we are unable to make payments into Post Office accounts or to prepaid cards.

**Agreement to the conditions of the award and payments** - A copy of the conditions can be found on our website.

Activate Learning may approve this application before you start your course, but funding will only be allocated once your enrolment is completed and you have started your course.

Your attendance will be monitored and if it falls below 90%, or you fail to adhere to the Attendance and Student Behaviour Policies, bursary payments will be withheld. The impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances will be considered.

If payments have not been used to attend college due to absence, future payments may be withheld or reduced until funds paid to you have been used for the purpose they were awarded.

Travel passes must be returned and payments will be stopped if you have been absent for four consecutive weeks (excluding holidays) or if you complete or withdraw from the course before the end of the academic year. By signing this form you confirm that you understand and agree to the conditions of the award above and as detailed in each award confirmation email.
