

How to Arrange a Replacement Travel Pass 2025-26

Your travel pass is your responsibility, therefore if you lose or damage your travel pass you should contact the travel company directly and arrange for a replacement unless your travel pass is from Great Western Railway (GWR) or Southwestern Railway (SWR).

Travel passes will only be replaced up to a maximum of two times, then the full cost of the pass is required to replace the pass.

Travel passes will be stopped by the travel company on 3rd July 2026 unless we have a prior agreement and authorization from your tutor that your pass needs extending.

Please note passes will be sent to your campus to be collected from the Advice Centre unless stated otherwise.
